CODERITHUM CLUB // GOVERNANCE SYSTEM // VERSION 1.0

LEARNING • INNOVATION • LEADERSHIP • COLLABORATION

SYSTEM MAP

A technical overview of how authority, execution, and accountability flow through Coderithum.

01	Purpose & Leadership Architecture
02	Club Authority — Faculty Coordinator
03	President & Vice President
04	Chief Technology Lead
05	Marketing & Outreach Lead
06	Incubator & Operations Lead
07	Team Leads & Club Members
08	Member Selection & Removal
09	Zebra Control & Permissions
10	Project Approval System
11	Event Management
12	Communication & Conflict Resolution
13	Leadership Meetings & Decision-Making
14	Code of Conduct & Accountability
15	Core Principles & Governance

DESIGN PRINCIPLE

Authority should be exercised according to the role. No leader should unnecessarily interfere with another department's day-to-day responsibilities; cross-team collaboration remains mandatory when a project or event requires it.

MODULE 01

PURPOSE & LEADERSHIP ARCHITECTURE

This Rule Book defines the structure, authority, responsibilities, decision-making process, and standards of Coderithum Club.

THE SYSTEM MUST ENSURE

- 01
- Clear responsibilities for every leadership position
- 02
- Professional and transparent decision-making
- 03
- Proper management of members and teams
- 04
- Smooth execution of projects and events
- 05
- Technical and operational discipline
- 06
- Healthy collaboration between teams
- 07
- Accountability at every level
- 08
- Continuous growth of the club and its members

LEADERSHIP HIERARCHY

01	FACULTY COORDINATOR / CLUB AUTHORITY
02	PRESIDENT + VICE PRESIDENT
03	CHIEF TECH LEAD MARKETING & OUTREACH INCUBATOR & OPERATIONS
04	DOMAIN LEADS / TEAM LEADS
05	CLUB MEMBERS

MODULE 02

CLUB AUTHORITY

Faculty Coordinator / Club Authority — institutional supervision and guidance.

The Faculty Coordinator / Club Authority provides the highest-level supervision and institutional guidance.

- 01
- Approve the overall club structure.
- 02
- Approve major changes to club policies.
- 03
- Have authority over addition or removal of club members when required.
- 04
- Approve major permissions and exceptional decisions.
- 05
- Oversee Zebra-related administration and control.
- 06
- Approve creation, modification, or removal of major club rules.
- 07
- Supervise the selection/appointment process of the President and Vice President.
- 08
- Resolve matters that cannot be resolved by student leadership.
- 09
- Ensure the club operates according to college policies.
- 10
- Protect the reputation and institutional standards of the club.

**AUTHORITY
BOUNDARY**

Institutional / high-impact decisions, including college authorities, major external partnerships, financial commitments, or significant reputation risks, involve the Faculty Coordinator.

MODULE 03

PRESIDENT & VICE PRESIDENT

Primary student leadership layer.

The President and Vice President are the primary student leaders responsible for the overall functioning of the club.

LEADERSHIP ELIGIBILITY & APPOINTMENT

- 01 Any student from any academic department may become a Coderithum Club member.
- 02 Department Leads / Team Leads must be students of the Computer Department.
- 03 The President and Vice President must already be Coderithum members.
- 04 The President and Vice President are promoted from the existing club membership.
- 05 Final selection and appointment of the President and Vice President is under the Faculty Coordinator / Faculty Lead.

PRESIDENT — STRATEGY & AUTHORITY

The President is the highest student leadership authority of Coderithum and is responsible for the club's vision, strategic direction, representation, governance, and overall accountability.

- 01 Set the overall vision and long-term goals of Coderithum.
- 02 Provide strategic direction for the club and its major initiatives.
- 03 Approve major projects, events, collaborations, and initiatives.
- 04 Represent Coderithum before faculty, college administration, external organizations, companies, communities, and other institutions.
- 05 Maintain the reputation, values, standards, and professional image of the club.
- 06 Make final decisions on major matters within the authority granted by the Club Authority.
- 07 Approve major changes to the club's structure, departments, and leadership.
- 08 Resolve major disputes or issues that cannot be resolved by the Vice President or respective leads.
- 09 Coordinate with the Faculty Coordinator on major decisions, approvals, and strategic matters.
- 10 Build and maintain strategic relationships with colleges, companies, communities, industry professionals, speakers, mentors, and other organizations.
- 11 Identify opportunities for the growth and development of Coderithum.
- 12 Ensure that club activities remain aligned with its objectives and values.
- 13 Review the club's overall performance periodically at a strategic level.
- 14 Approve major policies, guidelines, and changes proposed by the executive team.
- 15 Lead executive-level meetings when strategic decisions are required.
- 16 Provide guidance to the Vice President and department leads while avoiding day-to-day operational interference.
- 17 Ensure leadership accountability and take final student-level responsibility for major decisions and outcomes.

MODULE 03B

VICE PRESIDENT

Coordination, alignment, leadership continuity — not day-to-day operations.

The Vice President is the second-highest student leader of Coderithum and acts as the principal coordinator between the President and the department leads. The Vice President supports the President in implementing the club's strategy, ensures departments remain aligned, and assumes leadership responsibility when the President is unavailable.

- 01 Assist the President in implementing the club's vision, strategy, and major initiatives.
- 02 Coordinate between the President and all department leads to ensure departments remain aligned with the club's objectives.
- 03 Translate strategic decisions of the President into clear directions for department leads.
- 04 Review departmental reports and identify major issues, dependencies, or risks that require leadership attention.
- 05 Conduct executive coordination meetings when cross-department decisions or collaboration are required.
- 06 Facilitate collaboration between departments when a project or event involves multiple teams.
- 07 Support the President in evaluating major projects, events, and initiatives before final approval.
- 08 Assist in resolving conflicts or disagreements between department leads before escalating them to the President.
- 09 Represent the President when specifically delegated in meetings, discussions, or official interactions.
- 10 Maintain continuity of leadership and take charge of student leadership responsibilities when the President is unavailable.
- 11 Recommend improvements to the club's structure, policies, and working methods based on departmental feedback.
- 12 Review the overall performance of department leads and communicate significant concerns to the President.
- 13 Support strategic external collaborations and important institutional interactions when delegated by the President.
- 14 Participate in monthly leadership reviews and help evaluate the club's overall progress.
- 15 Ensure that major decisions requiring coordination between multiple departments are properly communicated and understood.

MODULE 04

CHIEF TECHNOLOGY LEAD

Technical direction, technical operations, development standards.

The Chief Technology Lead (CTL) is responsible for the technical direction and technical operations of the club. The CTL has primary authority over technical matters within the club.

- 01
- Maintain overall technical control of the club.
- 02
- Recommend addition or removal of technical members.
- 03
- Select technical members according to project requirements.
- 04
- Assign members to appropriate technical domains.
- 05
- Create technical sub-teams.
- 06
- Assign projects and responsibilities to technical teams.
- 07
- Define technical roles within projects.
- 08
- Identify and resolve technical problems.
- 09
- Escalate major technical issues to the President/Vice President when required.
- 10
- Guide and mentor technical members.
- 11
- Conduct or coordinate technical learning sessions.
- 12
- Recommend workshops and technical events to the President.
- 13
- Recommend technologies, frameworks, tools, and development practices.
- 14
- Create technical guidelines and development standards.
- 15
- Manage technical repositories and development workflows.
- 16
- Maintain technical documentation.
- 17
- Review the technical quality of club projects.
- 18
- Encourage open-source contributions and technical innovation.
- 19
- Track technical project progress.
- 20
- Ensure technical teams follow agreed development standards.

TECHNICAL
DECISION
RULE

The CTL may make technical decisions independently when they do not affect the club's budget, external commitments, official reputation, or major organizational structure. Major decisions should be discussed with the President/Vice President.

MODULE 05

MARKETING & OUTREACH LEAD

Public presence, promotion, communication, external outreach.

The Marketing & Outreach Lead is responsible for the club's public presence, promotion, communication, and external outreach.

- 01
- Have primary control over club marketing and social media activities.
- 02
- Manage the marketing and outreach team.
- 03
- Assign members to marketing domains.
- 04
- Select suitable members for marketing responsibilities.
- 05
- Plan social media campaigns.
- 06
- Create marketing strategies for events and projects.
- 07
- Manage promotional content.
- 08
- Coordinate creation of posters, videos, reels, social media posts, event creatives, and promotional materials.
- 09
- Review and verify promotional content before publication.
- 10
- Maintain consistency in club branding.
- 11
- Contact potential collaborators and communities.
- 12
- Coordinate with speakers, organizations, and external partners when assigned.
- 13
- Promote club events and achievements.
- 14
- Track marketing performance.
- 15
- Analyze engagement and reach.
- 16
- Suggest improvements to the club's marketing strategy.
- 17
- Maintain an organized archive of official marketing content.

**PUBLICATION
RULE**

Official public content representing Coderithum should be reviewed by the Marketing & Outreach Lead before publication. Sensitive announcements, official statements, or reputation-related posts should also receive President approval.

MODULE 06

INCUBATOR & OPERATIONS LEAD

Organizational execution, deadlines, documentation, and operational coordination.

The Incubator & Operations Lead is responsible for organizational execution, deadlines, documentation, and operational coordination.

- 01 Select suitable members for operations-related responsibilities.
- 02 Assign members to appropriate operational domains.
- 03 Track deadlines.
- 04 Monitor event and project timelines.
- 05 Maintain club documentation.
- 06 Maintain records of meetings and decisions.
- 07 Maintain project and event documentation.
- 08 Track deliverables from teams.
- 09 Follow up with team leads.
- 10 Maintain organizational records.
- 11 Help coordinate between different departments.
- 12 Identify operational bottlenecks.
- 13 Suggest improvements to club processes.
- 14 Support preparation of monthly reports.
- 15 Maintain a structured archive of important club documents.

**OPERATIONS
BOUNDARY**

The Operations Lead owns the day-to-day execution system. The VP remains responsible for executive coordination and departmental alignment, while Operations owns the operational workflow itself.

MODULE 07

TEAM LEADS & CLUB MEMBERS

Team Leads are responsible for managing their respective teams and executing assigned responsibilities.

TEAM LEAD RESPONSIBILITIES

- 01 Assign tasks to team members.
- 02 Monitor task completion.
- 03 Provide weekly updates.
- 04 Report problems to the respective department lead.
- 05 Maintain team discipline.
- 06 Support and mentor team members.
- 07 Track project progress.
- 08 Attend leadership follow-up meetings when required.
- 09 Ensure deadlines are followed.
- 10 Escalate major issues before they become critical.

WEEKLY REPORTING

Every Team Lead should provide a weekly update containing:

- 01 Completed tasks
- 02 Ongoing tasks
- 03 Upcoming tasks
- 04 Problems/blockers
- 05 Member participation
- 06 Project/event progress
- 07 Support required

CLUB MEMBER RESPONSIBILITIES

- 01 Respect all club leaders and members.
- 02 Complete assigned responsibilities on time.
- 03 Attend required meetings, sessions, and events.
- 04 Communicate honestly about problems and delays.
- 05 Follow technical, operational, and communication guidelines.
- 06 Maintain professionalism while representing the club.
- 07 Respect intellectual property and project ownership.
- 08 Do not misuse club resources or permissions.
- 09 Support other teams when collaboration is required.
- 10 Continuously learn and improve.
- 11 Maintain confidentiality of internal club information.
- 12 Report serious issues to the appropriate team lead.

MODULE 08

MEMBER SELECTION & REMOVAL

Members may be selected based on skills, interest, commitment, interview performance, project requirements, previous contribution, leadership potential, and team requirements.

SELECTION

RECOMMENDATION

A department lead may recommend members for their department. Final authority should depend on the level of appointment and club policy.

MEMBERSHIP & LEADERSHIP ELIGIBILITY

01

CLUB MEMBERSHIP

Students from any academic department may become members of Coderithum Club.

02

DEPARTMENT LEADS

All Department Leads / Team Leads must belong to the Computer Department.

03

PRESIDENT / VP

The President and Vice President must already be Coderithum members.

04

INTERNAL PROMOTION

President and Vice President positions are filled by promotion from the existing club membership.

05

FACULTY AUTHORITY

Final selection and appointment of the President and Vice President is under the Faculty Coordinator / Faculty Lead.

REMOVAL / REASSIGNMENT CONDITIONS

- 01
- Repeated absence
- 02
- Failure to complete responsibilities
- 03
- Misconduct
- 04
- Disrespectful behavior
- 05
- Misuse of club resources
- 06
- Repeated violation of club rules
- 07
- Unauthorized representation of the club
- 08
- Serious performance issues

Where appropriate, the member should receive a warning and an opportunity to improve before removal.

SELECTION PRINCIPLE

Membership is inclusive across departments; leadership eligibility is role-specific. Faculty oversight applies to the appointment of the President and Vice President.

MODULE 09

ZEBRA — CERTIFICATE GENERATOR & ADMIN CONTROL

Zebra is Coderithum's certificate generator project. It is used for creating and managing official certificates issued by the club.

ZEBRA PROJECT

Zebra provides the certificate-generation system for Coderithum. The system should be operated through controlled administrative access so that official certificate data and club-issued certificates remain under authorized leadership.

ADMIN PANEL CONTROL

ROLE	CONTROL / RESPONSIBILITY
FACULTY COORDINATOR	Highest administrative authority for Zebra. Full control over the system and authority to approve major changes, access, and certificate-related decisions.
PRESIDENT	Administrative control for Coderithum's certificate operations. May manage certificate-related activities and use the Zebra admin panel within the authority granted by the Faculty Coordinator.
VICE PRESIDENT	Administrative control for certificate operations and leadership-level oversight. May use the Zebra admin panel within the authority granted by the Faculty Coordinator and President.
OTHER MEMBERS / LEADS	No default Zebra admin-panel control unless specifically authorized by the Faculty Coordinator, President, or Vice President.

ACCESS PRINCIPLE

Zebra admin access is role-based. Faculty Coordinator, President, and Vice President are the authorized leadership level for Zebra control. Any additional access must be explicitly delegated.

ADMIN SECURITY

Unauthorized modification of certificates, certificate data, users, permissions, or other Zebra administrative information is prohibited.

PROJECT CREDIT

IDEA & CONCEPT — Kunal Patil

BUILT BY — Kunal Patil • Maitri Patel • MD Ismile

MODULE 10

PROJECT APPROVAL SYSTEM

A structured pipeline from proposal to final approval.

STEP 01	PROPOSAL	Project title • Problem statement • Proposed solution • Team members • Technology • Timeline • Expected outcome
STEP 02	TECHNICAL REVIEW	Technical feasibility • Technology selection • Team capability • Development plan
STEP 03	OPERATIONAL REVIEW	Timeline • Resources • Deliverables • Documentation
STEP 04	FINAL APPROVAL	President approves major club projects. Projects involving college representation, external organizations, funding, or institutional commitments may require Faculty Coordinator approval.

DECISION PIPELINE

PROPOSAL → TECHNICAL REVIEW → OPERATIONAL REVIEW → PRESIDENTIAL APPROVAL → FACULTY APPROVAL (WHEN REQUIRED)

MODULE 11

EVENT MANAGEMENT

Every official event uses a defined execution model.

EVERY OFFICIAL EVENT SHOULD HAVE

- | | |
|----|--------------------------------|
| 01 | Event Lead |
| 02 | Technical/Operations Team |
| 03 | Marketing Team |
| 04 | Registration/Coordination Team |
| 05 | Clear timeline |
| 06 | Defined responsibilities |
| 07 | Promotion plan |
| 08 | Execution plan |

POST-EVENT REPORT

- | | |
|----|--------------------------------------|
| 01 | Event summary |
| 02 | Attendance |
| 03 | Achievements |
| 04 | Problems faced |
| 05 | Feedback |
| 06 | Photos/videos |
| 07 | Social media performance |
| 08 | Financial information, if applicable |
| 09 | Suggestions for future events |

MODULE 12

COMMUNICATION & CONFLICT RESOLUTION

Official club communication should remain professional. Important decisions should be documented. Team leads should communicate deadlines clearly. Members should report delays as early as possible. Personal conflicts should not affect club work.

- 01 No member should publicly misrepresent the club.
- 02 Official announcements should be approved by the appropriate authority.
- 03 Sensitive information must not be shared outside the club without permission.

CONFLICT ESCALATION PATH

MEMBER → TEAM LEAD → DEPARTMENT LEAD → VICE PRESIDENT / PRESIDENT → FACULTY COORDINATOR

- 01 Listen to both sides.
- 02 Understand the actual issue.
- 03 Avoid personal attacks.
- 04 Focus on facts and responsibilities.
- 05 Attempt internal resolution first.
- 06 Document serious conflicts.
- 07 Escalate unresolved or serious matters.
- 08 Final institutional matters may be decided by the Faculty Coordinator.
- 09 No leader should use their position to unfairly target another member.

MODULE 13

LEADERSHIP MEETINGS & DECISION-MAKING**WEEKLY**

Team Leads provide updates to Department Leads.

MONTHLY

President, Vice President, and Department Leads conduct a leadership review.

MONTHLY REVIEW SHOULD COVER

- 01 Project progress
- 02 Event progress
- 03 Member activity
- 04 Technical development
- 05 Marketing performance
- 06 Operational issues
- 07 Upcoming events
- 08 Problems
- 09 Improvements

MONTHLY CLUB REPORT

- 01 Major activities
- 02 Projects
- 03 Events
- 04 Member participation
- 05 Achievements
- 06 Marketing performance
- 07 Technical progress
- 08 Problems
- 09 Solutions
- 10 Next month's goals

DECISION-MAKING MATRIX

DEPARTMENT-LEVEL	Department Leads can independently make decisions related to their department.
-------------------------	--

CROSS-DEPARTMENT	Require coordination between the relevant department leads.
-------------------------	---

CLUB-LEVEL	Major decisions should involve the President and Vice President.
-------------------	--

INSTITUTIONAL / HIGH-IMPACT	Decisions involving college authorities, major external partnerships, financial commitments, or significant reputation risks should involve the Faculty Coordinator.
------------------------------------	--

MODULE 14

CODE OF CONDUCT & LEADERSHIP ACCOUNTABILITY

Every member and leader must:

- 01 Treat others respectfully.
- 02 Avoid discrimination, harassment, bullying, or intimidation.
- 03 Maintain professional behavior.
- 04 Respect different opinions.
- 05 Avoid misuse of authority.
- 06 Protect club property and resources.
- 07 Give proper credit for contributions.
- 08 Avoid plagiarism.
- 09 Respect project ownership.
- 10 Represent Coderithum Club responsibly.

LEADERSHIP ACCOUNTABILITY

- 01 Be accountable for assigned responsibilities.
- 02 Communicate clearly.
- 03 Meet deadlines.
- 04 Support their team.
- 05 Accept constructive feedback.
- 06 Report problems honestly.
- 07 Avoid abusing authority.
- 08 Work for the growth of the club rather than personal benefit.

FAILURE TO PERFORM LEADERSHIP RESPONSIBILITIES

WARNING → REVIEW → ROLE REASSIGNMENT → REMOVAL FROM LEADERSHIP POSITION

The final decision will depend on the seriousness of the issue and the authority responsible for the position.

MODULE 15

CORE PRINCIPLES & GOVERNANCE

CORE PRINCIPLE OF CODERITHUM CLUB

Authority comes with responsibility.

Every position in Coderithum Club exists to help members learn, build, innovate, collaborate, and grow.

No position should be used for personal power or favoritism.

THE LEADERSHIP OBJECTIVE

BUILD PEOPLE → BUILD PROJECTS → BUILD COMMUNITY → BUILD CODERITHUM

RULE MODIFICATION

- 01** Discussed by the leadership team.
- 02** Reviewed by the President and Vice President.
- 03** Reviewed by the Faculty Coordinator when required.
- 04** Documented with the new version number.
- 05** Communicated to all relevant members.

The latest approved version will be considered the official Rule Book.

FINAL GOVERNANCE STATEMENT

Coderithum Club operates on the principles of:

LEARNING • INNOVATION • LEADERSHIP • COLLABORATION • ACCOUNTABILITY • PROFESSIONALISM

Every leader and member is expected to contribute toward creating a technically strong, professionally managed, and inclusive student community. This Rule Book defines responsibilities and authority, but teamwork remains the foundation of the club.
